UNlocracy.ORG is your new society run FOR, BY, and OF all 7.7 Billion of my people. Anti terrorist and all other crime ring networks will scream bloody murder their secret web based enterprises are identified with FOIA.ONE. Open Circuit TV is part of the new all digital resource based Interlink (Internet) free open public source network as our people now control all access to their own data to alleviate all privacy right concerns. In true face fact, privacy is exactly when criminals demand as they skirt all human right laws by infiltrating the same secret databases that truly control all aspects of humanity starting with stock markets, financial trades and storage, banking details, intellectual property, trade secrets, and other aspects of eCommerce controlled BY the Bank-sters, con-artists, cyber crime terrorists, and other corrupt political nemesis super crime RICO rings.

Protecting your future are the plans of total salvation. No one in history of legendary purpose has ever successfully road mapped a new world society free of almost all crimes. Criminals, politicians and most corrupt corporate executives never pay full taxes to support the infrastructure of their domains. With full scale assault deployment of eVOTE.ONE, everyone becomes teenMM.com solutionManifesto.com free trade, travel, and trust co patriots who fearlessly protect the rights of all others to ensure no crimes ever go unpunished by the Will of Large number Majority of those affected. The ramifications of these ministries are profound in basic foundational principals of GOD'S commandment laws that supersede, null, and void almost all man made cryptic self serving laws. Keith Duncan's fortune \$1.2 Million USD + mega Billions of Intellectual Property taken by Criminals ROSE, Bashama, Duncan Clan, murdered Brian Walker + all others.

City, County, State, Federal Law Enforcement REFUSE to leave reports open and HOST Press Conferences. Insurance claims of \$2.4 Million USD Denied because of mass political corruption is your reality.

**Over \$500 million in Intellectual Property + IP Rights on 8 strategic computers
\$100,000 USD Condo 6326 BrandyWine Trail, Norcross GA 30092
\$16K in 2006 Acura TL car, Yamaha FZ1 Motorcycle.**

Over \$600,000 in drained bank accounts, 401K accounts, and personal business assets too numerous to keep reposting to Law Enforcement this entire time.

Bottom line is your reality is complete Lawlessness and corruption at all levels of society as NO one's rights are upheld unless one pays off Liar-Lawyers, Judges, Jury, Prosecutors, Police, investigators. I know first hand, as +85 individuals go to PRISON for what ONE terrorist Robert Dee Rose has done to me. Contact Sally Q Yates KSLaw.com + FBI Atlanta 404-679-9000 and ask for TRIAL of all tied to FBI agent Janet (Nov 2010) and Lynn (Oct 5, 2018) for them to HOST Press CONFERENCES on How Cyber Criminal ROSE evades \$100 Million USD bounty.
